(a) If a WSU student or staff member fails to pay the fine assessed for any violation, the fine will be referred to the WSU controller's office for collection. The controller may, if other collection efforts fail withhold the amount of the outstanding fines from damage deposits or other funds held for any student in order to secure payment. Where collection efforts are unsuccessful, the controller may notify the registrar to refrain from issuing student transcripts or to withhold permission to reenroll for a subsequent term until outstanding fines are paid.

(b) The procedures discussed above are not exclusive, however, and failure by anyone to pay fines may lead to towing or use of the wheel lock device described in these regulations. The procedures discussed above are not a precondition to towing or use of the wheel lock.

(3) Impound by wheel lock or towing:

(a) Any vehicle with an accumulation of three or more unpaid parking violations or any vehicle displaying a lost or stolen permit may be temporarily immobilized by use of a wheel lock device placed on a wheel. A wheel lock fee will be assessed on vehicles which are immobilized with a wheel lock.

(b) Any vehicle may be towed away at owner's/operator's expense if the vehicle:

(i) Has been immobilized by wheel lock more than twenty-four hours; or

(ii) Is illegally parked in a marked tow-away zone; or

(iii) Is a hazard or obstruction to vehicular or pedestrian traffic (including, but not limited to, vehicles parked at curbs or rails painted yellow or red or in crosswalks); or

- (iv) Cannot be impounded with a wheel lock device; or
- (v) Is illegally parked in a disability space.

(c) The driver and/or owner of a towed vehicle shall pay towing and storage expenses.

(d) Any vehicle immobilized by use of the wheel lock device in excess of twenty-four hours will be assessed an additional storage fee for each calendar day or portion thereof, beyond the first twenty-four hours.

(e) The university assumes no responsibility in the event of damages resulting from towing, use of wheel lock devices, storage, or attempts to move a vehicle with a wheel lock device installed.

(f) No vehicle impounded by towing or wheel lock devices shall be released until the following fines are paid in cash:

(i) All unpaid parking violation penalties against said vehicle and any other vehicle registered to the violator;

(ii) A wheel lock fee;

(iii) All towing and storage fees.

(g) Any vehicle impounded pursuant to these regulations in excess of thirty calendar days shall be considered an abandoned vehicle and shall be disposed of in accordance with chapter 46.55 RCW.

(h) A person wishing to challenge the validity of any fines or fees imposed under this subsection may appeal such fines or fees as elsewhere provided in these regulations. However, in order to secure release of the vehicle, such person must pay the amount of such fines or fees as a bond which will be refunded to the extent the appeal is successful.

(i) An accumulation of six unpaid violations during any twelve-month period, exclusive of meter violations, and overtime in time zone violations, will subject the violator to revocation or denial of parking privileges. Vehicles without permits which accumulate the above number of violations may be prohibited from parking on university property.

(4) Failure to pay fines: Failure to pay a fine or comply with other penalties assessed pursuant to these regulations after exhausting or failing to exercise appeals provided for in these regulations constitutes a violation of RCW 28B.10.560. A citation or complaint for such violations may be issued and filed with the district court. Upon request of the university, the department of licensing may withhold vehicle registration pending the payment of outstanding parking fines.

(b) To aid in the appraisal of parking and traffic problems.

(2) Procedure: Any person who has received notice of a parking violation may appeal the alleged violation. The appellant may request more information from WSU Spokane public safety. The committee will serve a brief statement of the reasons for its decision on appellant within ten days of the decision.

(3) Review of initial decision: If the appellant is dissatisfied with the initial decision, he/she may request a hearing before a hearing officer or appeals committee. Such request must be made within ten calendar days of service of the notice of the initial decision. If no such request is received, the initial decision shall be final. During the review hearing the appellant and representatives of WSU Spokane public safety may present and cross-examine witnesses. The hearing officer or appeals committee shall render a decision in writing and serve appellant with the decision within five calendar days after the review hearing.

(4) Appeal to district court: RCW 28B.10.560 provides that a person who is not satisfied with the final decision of the university may appeal to district court. The application for appeal to district court shall be in writing and must be filed at the WSU Spokane public safety office within ten calendar days after service of written notice of the final decision. PART II: ENFORCEMENT

WAC 504-15-200 Enforcement authority. Parking services and the police department are charged with the impartial enforcement of these regulations. Enforcement personnel have authority to issue parking citations, to impound vehicles, and to control access to areas.

[Statutory Authority: RCW 28B.30.150. 02-14-071, § 504-15-200, filed 6/28/02, effective 7/29/02. Statutory Authority: RCW 28B.30.125, 28B.30.-150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-200, filed 5/16/90, effective 7/1/90.]

WAC 504-15-210 Times of enforcement. Parking regulations are subject to enforcement at all times.

(1) Permit areas: All parking zones are limited to authorized permit holders during specific hours. These hours are posted in each parking zone either at the entrance to parking areas, or along roadways where parking is marked. Restricted spaces are enforced at all times. See subsection (4) of this section, special conditions.

(2) Restricted spaces: These spaces are restricted for their designated purpose at all times (twenty-four hours a day, seven days a week):

- (a) Disability.
- (b) Load/unload.
- (c) Service.
- (d) Reserved.
- (e) Reserved (bagged) meters.
- (f) Specially signed areas.

(3) Metered spaces: Parking meters are in effect during the times posted on each meter. During these times the meter must be paid the posted amount. Additional time cannot be purchased beyond the meter's posted time limit (e.g., a two-hour meter will allow a maximum of two hours to be purchased at one time).

(4) Special conditions: The parking regulations are enforced every day, twenty-four hours a day. During certain times the following special conditions exist, and the regulations are modified.

- (a) Crimson zones.

(i) Permits are not required in crimson zones at the start of each semester from the Monday of the week prior to the first day of class through the fifth day of class.

(ii) Crimson, orange, and green permits are valid in crimson zones during summer session, vacation periods, and between semesters.

(iii) Temporary one-hour parking zones may be established in portions of the crimson zones during finals week and at the start of each semester to accommodate moving into and moving out of residence halls.

- (b) Gray zones.

(i) Permits are not required in gray zones at the start of each semester from the Monday of the week prior to the first day of class through the fifth day of class, during vacation periods, and between semesters.

(ii) During summer session, gray zones are open to all valid WSU parking permits, except blue permits and housing permits.

(iii) Temporary one-hour parking zones may be established in portions of the gray zones during finals week and at the start of each semester to accommodate moving into and moving out of residence halls.

(c) Blue zones. Permits are not required in blue zones at the start of each semester from the Monday of the week prior to the first day of class through the fifth day of class, during finals week, vacation periods, and between semesters.

(d) Housing areas. Permits are not required in housing areas at the start of each semester from the Monday of the week prior to the first day of class through the fifth day of class, and during finals week.

(e) Summer business hours. During the period when the university is officially on summer business hours, all metered spaces and permit areas which are not restricted will be open parking after 4:00 p.m. This period varies from year to year, and does not include periods when individual departments change their business hours outside the university's official summer business hours.

(5) Pay parking facilities: Some nonmetered areas are provided for parking on an hourly basis. Hours of operation and a schedule of fees are posted at the facility entrance and at the point of payment. Parking violations are issued to vehicles that are parked over the duration of time that was paid and for nonpayment.

[Statutory Authority: RCW 28B.30.150. 02-14-071, § 504-15-210, filed 6/28/02, effective 7/29/02. Statutory Authority: RCW 28B.30.095, 28B.30.-125 and 28B.30.150. 95-13-003, § 504-15-210, filed 6/8/95, effective 7/9/95. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-210, filed 5/16/90, effective 7/1/90.]

WAC 504-15-220 Signed and marked areas. (1) Parking on campus is permitted only in the marked and/or signed spaces in areas and on streets. All other areas outside these designated areas are "no parking zones." Each parking area has signs or markings to indicate the type of permit or permits required, and the times they are required.

(2) Individual parking spaces are marked, and no vehicle may be parked so as to occupy any portion of more than one parking space. The fact that other vehicles were parked in a manner requiring a vehicle to occupy a portion of more than

one space shall not constitute an excuse for a violation of this rule.

(3) Standing (the stopping of a vehicle with the driver remaining in it) is permitted in marked parking spaces, except metered spaces and restricted spaces, even though the vehicle does not have a valid parking permit. Double parking while "standing" is not permitted.

(4) Should there be a conflict between these regulations, map designation, and on-site signs regarding parking instructions, the on-site sign takes precedence.

(5) Permit areas and restricted spaces are not always signed individually.

[Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-220, filed 5/16/90, effective 7/1/90.]

WAC 504-15-250 Motorcycles, mopeds, and bicycles.

(1) The general traffic regulations applicable to motor vehicles apply equally to motorcycles, mopeds, and bicycles. Motorcycles or mopeds may not be driven on sidewalks or in the mall area. Bicycles may be used on sidewalks, though pedestrians always have the right of way. Owners of motorcycles and mopeds are responsible for all violations including violations issued even if said vehicle is moved by someone else after being legally parked.

(2) The university classifies mopeds and motorcycles by engine displacement (also referred to as engine size). This definition applies only to parking at the university and does not replace or supersede the definitions established by the state of Washington for licensing or traffic purposes.

(3) Mopeds: Mopeds may park only in the following locations with a valid moped permit:

(a) A designated moped parking area marked by signs and/or the letters "MP" on the parking surface.

(b) A bicycle rack unless the rack is signed to exclude mopeds.

Mopeds may not park in marked motorcycle areas at any time.

(4) Motorcycles: Motorcycles may park only in spaces which are marked by signs, or the letter "M" painted on the parking surface. PART III: PARKING PERMITS

WAC 504-15-410 Issuance and use of permits. Parking permits are available at parking services, located in the safety building, upon application and the payment of the appropriate fees. The applicant will receive a parking permit and/or indicator which specifies parking area(s) where the vehicle may be parked.

Temporary parking permits may be obtained from police services when the parking services office is closed.

Housing area parking permits are issued by the respective apartment housing offices.

[Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-410, filed 5/16/90, effective 7/1/90.]

WAC 504-15-420 Consent to withholding of fines. All permit applications shall provide that the university may withhold unpaid fines from any sums owed the permit holder and to treat the same as a debt.

[Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-420, filed 5/16/90, effective 7/1/90.]

WAC 504-15-430 Change in residence or license plates. Permit holders changing residence or license plates after initial application must contact parking services and complete the necessary forms. Failure to do so may result in continued responsibility for citations issued to the old license plate and a loss of parking privileges.

[Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-430, filed 5/16/90, effective 7/1/90.]

WAC 504-15-440 Term of permit—Transfer of permit. Permits are valid up to and including the expiration date on the permit.

The ownership of permits is generally not transferrable, but exceptions can be made by parking services provided that the:

(1) Person relinquishing ownership and the eligible purchaser appear in person at parking services when requesting such a transfer;

(2) Former owner relinquishes all ownership or claim to the permit, and pays all outstanding fines; and

(3) New owner completes a new application form for the permit.

If a replacement permit is requested, the old permit must be removed and presented to parking services to be eligible for a replacement or a refund.

[Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-440, filed 5/16/90, effective 7/1/90.]

WAC 504-15-450 Replacement permits, indicators, and gate cards. (1) Sold or traded vehicles. Failure to advise parking services of a sale or trade for registration purposes may result in continued responsibility to the permit holder for citations received on that permit.

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to parking services to receive a free replacement. Persons failing to comply with this requirement shall pay the cost of a new permit.

(2) Lost/stolen permits. Permit holders are responsible for the security of their permits. The theft or loss of a parking permit should be reported to parking services immediately upon discovery. A stolen permit will be replaced once at no cost, but only if a theft report of the permit has been filed in the appropriate police jurisdiction and verified by parking services. The second time the permit is reported stolen, the replacement fee will be ten dollars; the third time, twenty dollars; and thereafter, the original cost of the stolen permit. A lost permit will be replaced once for ten dollars; the second time, twenty dollars; and thereafter at the original cost of the permit. Lost, or stolen permits must be returned to the parking services office immediately if recovered.

(3) Windshield replacements. When a permit-bearing windshield is replaced, the permit replacement fee will be waived if proof of replacement is presented.

(4) Gate card replacement. A lost, stolen, or damaged gate card will be replaced for five dollars.

WAC 504-15-460 False information. No person shall obtain, attempt to obtain, or use in a manner contrary to these regulations, a modified parking permit or a permit issued upon false information. A violation of this section includes giving a false name, address, Social Security number, and/or other information known to be false. It also includes the mere use of a visitor, conference, and commercial permit by staff or students. Violation of this provision shall constitute the illegal use of a parking permit, and will be subject to citation and fine.

WAC 504-15-470 Recall of permits and gate cards.

Parking permits are the property of the university and may be recalled by the parking manager when:

(1) The purpose for which the permit or gate card was issued changes or no longer exists (e.g., a person who no longer lives in a residence hall would be required to hand over their gray permit for refund or credit toward an appropriate permit);

(2) A permit or gate card is used on an unauthorized vehicle or by an unauthorized person;

(3) A parking permit application is falsified;

(4) A counterfeit, modified, lost/stolen permit or gate card is used; or

(5) The parking fee is unpaid.

WAC 504-15-510 Permits—General. The university will issue permits for designated areas of the campus. Any vehicle parked on university property, other than a pay area or metered space must clearly display a current university permit for a given area during the posted hours when permits are required.

WAC 504-15-520 Permits—Form and display. All permits must be displayed in the approved position on the vehicle with permit numbers visible. Permits not displayed in accordance with the provisions of this section are not valid, and vehicles displaying them improperly are subject to citation.

(1) Autos and trucks:

(a) Hanging permits, both annual and temporary, must be displayed hanging from the rear-view mirror post.

(b) Transferable cards and affixed decals must be displayed on the front windshield at the lower left corner (driver's side). Decals must be mounted completely by means of their own adhesive (not by tape).

(2) Motorcycles and mopeds: Motorcycle and moped permits must be mounted completely by means of their own adhesive and prominently displayed on the left rear side of the vehicle or on top of the rear tail light.

[Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 90-11-078 (Order 90-1), § 504-15-520, filed 5/16/90, effective 7/1/90.]

WAC 504-15-540 Zone permits—Availability and use. The management and assignment of parking zones is designed to provide a reliable parking space to permit holders. However, uncontrolled access to parking areas and unexpected parking demand make it impossible to guarantee a parking space in a permit holder's assigned zone. Every effort will be made via surveys and limits on permit sales, to ensure that permit holders are not displaced from their assigned

zones. The only exception to this will be that the sale of blue permits will not be limited.

Staff and students are generally assigned to specific parking areas, called zones. Parking zones are color-coded with respect to their price and numbered with respect to the specific parking area assignment of each permit holder. Permit holders may park in their assigned zone as reflected by the combination of color and number on their permit and corresponding sign, or they may park in other zones as described below.

(1) Orange permits: Orange permit holders may park in their numerically assigned orange zone, or in any green, yellow, red, or blue zone. These permits may be available on a temporary basis during the summer session.

(2) Green permits: Green permit holders may park in their numerically assigned green zone, or in any yellow, red, or blue zone. These permits may be available on a temporary basis during the summer session.

(3) Yellow permits: Yellow permit holders may park in their numerically assigned yellow zone, or in any red or blue zone. These permits may be available on a temporary basis.

(4) Red permits: Red permit holders may park in their numerically assigned red zone or in any blue zone. These permits may be available on a temporary basis.

(5) Gray permits: Gray permit holders may park in their numerically assigned gray zone, or in any blue zone. These permits may be available on a temporary basis. Gray permit holders must turn in their gray permit for refund or credit toward another permit, if applicable, immediately upon moving out of a residence hall. Only resident students are eligible for gray permits.

(6) Blue permits (peripheral parking): Blue permit holders may park in any blue zone. These permits are available on a temporary basis.

(7) Crimson permits. Crimson permit holders may park in their numerically assigned crimson zone, or in the numerically corresponding gray zone (e.g., a crimson 1 permit is valid in the gray 1 zone, but not in the gray 2 zone), or in any blue zone. Crimson permit holders must turn in their crimson permit for a refund or credit toward another permit, if applicable, immediately upon moving out of the residence hall. Only resident students are eligible for crimson permits.

WAC 504-15-560 Other permits—Availability and use.

(1) Visitor permits: Visitor permits are available on an annual or daily basis to visitors of the university. Visitor permits may be used only by bona fide visitors as defined by this chapter. Use by any other person constitutes illegal use of a parking permit. Annual visitor permits are valid in green, yellow, red and blue zones, and parking spaces signed for visitors only. Daily visitor permits may be assigned to specific zones on a space-available basis. If a parking zone is not specified on the permit, it is valid in the same parking areas as an annual visitor permit. Visitor permits are not valid in pay lots, meters, or restricted spaces.

(2007 Ed.)

(2) Golden cougar permits: Golden cougar permits are special visitor permits that are issued to retired faculty and staff free of charge. They are issued on an annual basis and are valid in green, yellow, red, blue zones, and visitor-only parking spaces. Faculty and staff who remain regularly employed by the university after formal retirement are not eligible to use a golden cougar permit in lieu of a regular paid permit.

(3) President's associates decals: President's associate decals are issued to eligible members of WSU foundation. They are valid in green, yellow, red, blue zones, and visitor-only parking spaces. However, WSU faculty, staff, and students may not use a president's associates decal in lieu of a paid zone permit.

(4) Conference permits: Conference permits are available to visitors who participate in conferences held on the university campus. They are available on a daily basis only. Conference permits may be assigned to specific zones on a space-available basis. If a parking zone is not specified on the permit, it is valid in green, yellow, red, blue zones, and visitor-only parking spaces. Conference permits are not valid in orange zones, meters, or restricted spaces.

(5) Motorcycle permits: Motorcycle permits are valid within boundaries of areas specifically posted and/or marked for motorcycle permits. Motorcycle permits are available on an annual and daily basis.

(6) Moped permits: Moped permits are valid within boundaries of areas specifically posted and/or marked for moped permits. Moped permits are available on an annual and daily basis.

(7) Commercial permits: Commercial permits are issued to vendors, suppliers, and service representatives of outside companies performing a service for the university. Commercial permits are available on an annual or daily basis. Annual commercial permits are valid in service zones, and green, yellow, red and blue zones, and parking spaces signed for visitors only. Daily commercial permits may be assigned to specific zones on a space-available basis. If a parking zone is not specified on the permit, it is valid in the same parking areas as an annual commercial permit. Commercial permits are not valid in orange zones, pay lots, or other restricted spaces.

(8) Construction permits: A construction permit is issued to personnel who are working on a construction site on campus. Construction permits are available on an annual or daily basis and are assigned to a specific parking area.

(9) Housing permits: A housing permit is issued to eligible residents of university apartments. Housing permits are valid only in specific housing parking areas.

(10) Carpool: Upon completion of application, bona fide carpools with four or more participants will be given preference in the assignment of parking zones, and will be issued a permit instrument that will facilitate the carpool. This includes access to no more than two zones of the same fee level. If the carpool requires access to zones of various fee rates, the highest fee rate will be charged for use of the carpool permit. Obtaining or using a carpool permit under false pretenses constitutes the illegal use of a permit.

WAC 504-15-580 Special indicator decals/hangers.

Special indicator decals or hangers may be issued to staff and student permit holders who have otherwise valid parking permits in the following cases:

(1) Service indicator decals/hangers which are valid for a maximum of fifteen minutes in a marked service zone. A separate mall service indicator allows a maximum of fifteen-minute parking in the pedestrian mall. These are available to staff or students who must use a private vehicle for university business. They are issued on an annual or daily basis after the approval of the parking manager or his/her designee.

(2) Night parking indicator decals/hangers which are valid in parking zones up to thirty minutes after the permit times begin, and thirty minutes before the permit times end. For example, if permits are required in a parking zone from 7:00 a.m. to 5:00 p.m., the night parking indicator is valid in that zone from 4:30 p.m. until 7:30 a.m. Night parking indicators are not valid at any time in crimson zones, gray zones, meter spaces, restricted spaces, or parking zones that require a parking permit at all times.

(3) Reserved parking indicator decals/hangers which are valid in parking spaces that are signed for the corresponding permit and indicator.

WAC 504-15-600 Disability permits. The university and parking services strongly supports the provision of disability parking spaces at a reasonable proximity to campus buildings for people of disability.

There are two types of disability permits:

(1) Permanent physical disability. An annual disability permit is available to permanently disabled university employees and students at the established fee. Holders of annual permits may park in orange, green, yellow, red, crimson, gray, and blue zones, and metered spaces. They may not park in service zones or reserved spaces. The fee for an annual disability permit is equal to the blue zone fee. Payment of regular posted fees is required in pay lots.

(2) Temporary physical disability. Temporary disability permits will be issued to temporarily disabled staff and students for a maximum of six weeks, although they may be renewed.

Employees and students must obtain a temporary disability form from parking services. These disabled parking privileges will be granted only after submission of the form that shows the applicant meets established physical limitations. The form must be completed by a health care provider. Parking services will not accept substitute forms or letters.

WAC 504-15-650 Permit fees. (1) Schedules for parking fees, parking administrative fees, parking fines and sanc-

tions, meter rates, prorate and refund schedules, and the effective date thereof will be submitted to the president or his/her designee and to the board of regents for approval by motion, provided, however, that fees associated with parking at the student recreational center, (SRC) including refunds of fees, will not be submitted to the board of regents so long as the board has delegated authority to the president or his designee to approve all such fees. The schedules for all parking fees, parking administrative fees, meter rates, prorate and refund schedules, including those for the SRC, will thereafter be posted in the public area of the parking services office, filed with the university rules coordinator, and posted on the parking services web site.

(2) Payments: Fees may be paid at parking services by cash, check, or money order. A payroll deduction plan is available for permanent university employees and eligible graduate students during the fall semester only.

(3) The annual fee for any shorter period relative to all permits shall be prorated.

(4) The proper fee must be paid for all vehicles parked in metered areas unless otherwise authorized.

(5) Staff members whose work schedules qualify them for night time differential pay may purchase a permit for one-half the regular fee. Verification will be required.

(6) Refunds: Annual permits being relinquished may be returned to parking services for a pro rata refund. Identifiable remnants of the permit must be returned. Provision of the permit holder's copy of the permit receipt will facilitate the refund process. A minimum ten-dollar service charge will be retained by parking services. Further, the balance of any fees and fines owed parking services will be deducted from any refund due. Refunds for temporary permits will not be granted.

PART IV: FINES, SANCTIONS, AND APPEALS

WAC 504-15-810 Violations, fines, and sanctions. (1) Violations and fines: Parking violations will be processed by the University. Fines must be paid at parking services or other authorized locations. Schedules for parking violations, fines, and sanctions are posted in the public area of the parking services office and on the parking services web site.

(2) Reduction of fines: Fines for violations in subsection (1)(a) and (b) of this section paid within twenty-four hours will be reduced by one-half. Eligible violations received on Friday or Saturday can be paid on the following Monday to satisfy the twenty-four hour requirement. Mailed fines must be postmarked within twenty-four hours to receive the one-half reduction. If a permit holder of record neglects to display his/her permit and receives a notice of violation for no parking permit, (subsection (1)(c) of this section), that fine will be reduced to five dollars when possession of a valid parking permit for the location is verified by the parking services within twenty-four hours.

(3) Visitors: The first violation of the notices listed in subsection (1)(c) of this section, no parking permit, and subsection (1)(d) of this section, no parking permit for this area, issued to visitors are considered warning notices upon presentation to the parking services office.

(4) Inoperable vehicles: It is the owner's responsibility to immediately contact parking services in the event that their vehicle becomes inoperable.

WAC 504-15-830 Other violations and sanctions. (1) Schedules for parking violations, fines, and sanctions are posted in the public area of the parking services office and on the parking services web site.

(2) Late payment of fines: Forty-five days after issuance of a notice of violation a charge shall be added to all unpaid parking violations. If a student or staff member fails to pay the fine assessed for any violation, the fine will be referred to the WSU controller's office for collection. The controller may, if other collection efforts fail, deduct outstanding fines from the salary warrants of employees or withhold the amount of the outstanding fines from damage deposits or other funds held for any student in order to secure payment. Where collection efforts are unsuccessful, the controller may notify the registrar to refrain from issuing student transcripts or to withhold permission to reenroll for a subsequent term until outstanding fines are paid. The procedures discussed above are not exclusive, however, and failure by anyone to pay fines may lead to towing or use of the wheel lock device described in these regulations. Nor are the procedures discussed above a precondition to towing or use of the wheel lock.

(3) Impound by wheel lock or towing:

(a) Any vehicle with an accumulation of three or more unpaid parking violations, or any vehicle displaying a lost, stolen, or counterfeit permit may be temporarily immobilized by use of a wheel lock device placed on a wheel. A fee will be assessed on vehicles which are immobilized with a wheel lock.

(b) Any vehicle may be towed away at owner's/operator's expense if the vehicle:

(i) Has been immobilized by wheel lock more than twenty-four hours; or

(ii) Is illegally parked in a marked tow-away zone; or

(iii) Is a hazard or obstruction to vehicular or pedestrian traffic (including, but not limited to, vehicles parked at curbs or rails painted yellow or red or in crosswalks); or

(iv) Cannot be impounded with a wheel lock device; or

(v) Is illegally parked in a disability space.

(c) The driver and/or owner of a towed vehicle shall pay towing and storage expenses.

(d) Any vehicle immobilized by use of the wheel lock device in excess of twenty-four hours will be assessed a storage fee for each calendar day or portion thereof, beyond the first twenty-four hours.

(e) The university assumes no responsibility in the event of damages resulting from towing, use of wheel lock devices, storage, or attempts to move a vehicle with a wheel lock device installed.

(f) No vehicle impounded by towing or wheel lock devices, shall be released until the following fines are paid in cash:

(i) All unpaid parking violation penalties against said vehicle and any other vehicle registered to the violator;

(ii) A wheel lock fee;

(iii) All towing and storage fees.

(g) Any vehicle impounded pursuant to these regulations in excess of thirty calendar days shall be considered an abandoned vehicle and shall be disposed of in accordance with chapter 46.55 RCW.

(h) A person wishing to challenge the validity of any fines or fees imposed under this subsection may appeal such fines or fees as elsewhere provided in these regulations. However, in order to secure release of the vehicle, such person must pay the amount of such fines or fees as a bond which will be refunded to the extent the appeal is successful.

(i) An accumulation of six unpaid violations during any twelve-month period, exclusive of meter violations, and overtime in time zone violations, will subject the violator to revocation or denial of parking privileges. Vehicles without permits which accumulate the above number of violations may be prohibited from parking on university property.

(4) Failure to pay fines: Failure to pay a fine or comply with other penalties assessed pursuant to these regulations, after exhausting or failing to exercise appeals provided for in these regulations, constitutes a violation of RCW 28B.10.-560. A citation or complaint for such violation may be issued and filed with the district court. Upon request of the university, the department of licensing may withhold vehicle registration pending the payment of outstanding parking fines.

During the review hearing the appellant and representatives of parking services may present and cross-examine witnesses. The hearing officer or appeals committee shall render a decision in writing and serve appellant with the decision within five calendar days after the review hearing.

(14) Service zone. Parking spaces designated for the use of university vehicles, other government-owned vehicles, and vehicles displaying a service indicator or commercial permit. Authorized vehicles may park in these zones for a maximum of fifteen minutes, except for vehicles that display a service indicator issued for an extended time. Service zones are restricted at all times.

(15) Staff. For the purposes of these regulations, "staff" includes all faculty, classified staff, administrative and professional employees, temporary employees, and other support personnel employed by the university, and the personnel of other activities located on campus. Teaching assistants, research assistants, and other students employed by the university are not "staff." They are considered as students for the purpose of these rules.

PART II: ENFORCEMENT

WAC 504-19-200 Enforcement authority. WSUV public safety is charged with the impartial enforcement of these regulations. Enforcement personnel have authority to issue parking citations, to impound vehicles, and to control access to areas.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-200, filed 7/15/96, effective 8/15/96.]

WAC 504-19-210 Times of enforcement. Parking regulations are subject to enforcement at all times.

(1) Permit areas: All parking zones are limited to authorized permit holders during specific hours. These hours are posted in each parking zone either at the entrance to parking areas or along roadways where parking is marked. Restricted spaces are enforced at all times.

(2) Restricted spaces: These spaces are restricted for their designated purpose at all times (twenty-four hours a day, seven days a week):

- (a) Disability.
- (b) Load/unload.
- (c) Service.
- (d) Reserved.
- (e) Reserved (bagged) meters.
- (f) Specially signed areas.

(3) Metered spaces: Parking meters are in effect during the times posted on each meter. During these times the meter must be paid the posted amount. Additional time cannot be purchased beyond the meter's posted time limit (e.g., a thirty-minute meter will allow a maximum of thirty minutes to be purchased at one time).

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-210, filed 7/15/96, effective 8/15/96.]

WAC 504-19-220 Signed and marked areas. (1) Parking on campus is allowed only in the marked and/or signed spaces in areas and on streets. All other areas outside these designated areas are "no parking zones." Each parking area has signs or markings to indicate the type of permit or permits required and the times they are required.

(2) Individual parking spaces are marked, and no vehicle may be parked so as to occupy any portion of more than one parking space. The fact that other vehicles were parked in a manner requiring a vehicle to occupy a portion of more than one space shall not constitute an excuse for a violation of this rule.

(3) Should there be a conflict between these regulations, map designation, and on-site signs regarding parking instructions, the on-site sign takes precedence.

(4) Permit areas and restricted spaces are not always signed individually.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-220, filed 7/15/96, effective 8/15/96.]

WAC 504-19-250 Motorcycles, mopeds, and bicycles.

(1) The general traffic regulations applicable to motor vehicles apply equally to motorcycles, mopeds, and bicycles. Motorcycles or mopeds may not be driven on sidewalks or in the mall area. Bicycles may be used on sidewalks, though pedestrians always have the right of way. Owners of motorcycles and mopeds are responsible for all violations including violations issued even if said vehicle is moved by someone else after being legally parked.

(2) Motorcycles and mopeds: Motorcycles and mopeds may park only in spaces which are marked by signs or the letter "M" painted on the parking surface. Motorcycles and mopeds must display a valid WSUV motorcycle permit during posted times. During all other times, these spaces are restricted to use by motorcycles and mopeds only.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-250, filed 7/15/96, effective 8/15/96.]

WAC 504-19-300 Responsibility for citations. (1)

Each permit registrant shall be responsible for parking citations on vehicles:

- (a) Registered with WSUV public safety; and/or
- (b) Displaying the registrant's permit.

(2) Owners of vehicles will be held primarily liable for citations.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-300, filed 7/15/96, effective 8/15/96.]

WAC 504-19-350 Use of areas for emergency, maintenance, or special needs. WSUV reserves the right to close any campus parking area at any time it is deemed necessary for maintenance, safety, or to meet special needs. WSUV public safety will provide notice to users when possible.

Public safety and maintenance personnel performing official duties may deviate from these regulations as required to conduct emergency procedures.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-350, filed 7/15/96, effective 8/15/96.]

WAC 504-19-360 Liability. The university assumes no responsibility for the care and protection of any vehicle or its contents at any time the vehicle is on university property.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-360, filed 7/15/96, effective 8/15/96.]

PART III: PARKING PERMITS

WAC 504-19-410 Issuance and use of permits. Parking permits are available at various locations upon application and payment of the appropriate fees. A parking permit and/or indicator which specifies parking area(s) where the vehicle may be parked will be issued.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-410, filed 7/15/96, effective 8/15/96.]

WAC 504-19-420 Consent to withholding of fines. All permit applications shall provide that the university may withhold unpaid fines from any sums owed the permit holder and to treat the same as a debt.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-420, filed 7/15/96, effective 8/15/96.]

WAC 504-19-430 Change in residence or license plates. Permit holders changing residence or license plates after initial application must contact WSUV public safety and complete the necessary forms. Failure to do so may result in continued responsibility for citations issued to the old license plate and a loss of parking privileges.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-430, filed 7/15/96, effective 8/15/96.]

WAC 504-19-440 Term of permit—Transfer of permit. Permits are valid up to and including the expiration date on the permit.

(2007 Ed.)

The ownership of permits is generally not transferable, but exceptions can be made by WSUV public safety provided that the:

(1) Person relinquishing ownership and the eligible purchaser appear in person at WSUV public safety when requesting such a transfer;

(2) Former owner relinquishes all ownership or claim to the permit and pays all outstanding fines; and

(3) New owner completes a new application form for the permit.

If a replacement permit is requested, the old permit must be removed and presented to WSUV public safety to be eligible for a replacement or a refund.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-440, filed 7/15/96, effective 8/15/96.]

WAC 504-19-450 Replacement permits and indicators. (1) Sold or traded vehicles. Failure to advise WSUV public safety of a sale or trade for registration purposes may result in continued responsibility to the permit holder for citations received on that permit.

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to WSUV public safety to receive a free replacement. Persons failing to comply with this requirement shall pay the cost of a new permit.

(2) Lost/stolen permits. Permit holders are responsible for the security of their permits. The theft or loss of a parking permit should be reported to WSUV public safety immediately upon discovery. A stolen permit will be replaced once at no cost, but only if a theft report of the permit has been filed in the appropriate police jurisdiction and verified by WSUV public safety. The second time the permit is reported stolen, the replacement fee will be ten dollars; the third time, twenty dollars; and thereafter, the original cost of the stolen permit. A lost permit will be replaced once for ten dollars; the second time, twenty dollars; and thereafter at the original cost of the permit. Lost or stolen permits must be returned to the WSUV public safety office immediately if recovered.

(3) Windshield replacements. When a permit-bearing windshield is replaced, the permit replacement fee will be waived if proof of replacement is presented.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-450, filed 7/15/96, effective 8/15/96.]

WAC 504-19-460 False information. No person shall obtain, attempt to obtain, or use in a manner contrary to these regulations, a modified or counterfeit parking permit or a permit issued upon false information. A violation of this section includes giving a false name, address, Social Security number, and/or other information known to be false. It also includes the mere use of a visitor, conference, and commercial permit by staff or students. Violation of this provision shall constitute the illegal use of a parking permit and will be subject to citation and fine.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-460, filed 7/15/96, effective 8/15/96.]

- (1) The purpose for which the permit was issued changes or no longer exists;
 - (2) A permit is used on an unauthorized vehicle or by an unauthorized person;
 - (3) A parking permit application is falsified;
 - (4) A counterfeit, modified, or lost/stolen permit is used;

WAC 504-19-510 Permits—General. WSUV public safety will issue permits for designated areas of the campus. Any vehicle parked on WSUV property, other than a pay area or metered space, must clearly display a valid permit for a given area during the posted hours when permits are required.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-510, filed 7/15/96, effective 8/15/96.]

WAC 504-19-520 Permits—Form and display. All permits must be displayed in the approved position on the vehicle with permit numbers visible. Permits not displayed in accordance with the provisions of this section are not valid, and vehicles displaying them improperly are subject to citation.

WAC 504-19-540 Zone permits—Availability and use. Staff and students are generally assigned to specific parking areas called zones. Parking zones are color-coded with respect to their price and numbered with respect to the specific parking area assignment of each permit holder. Permit holders may park in their assigned zone as reflected by the combination of color and number on their permit and corresponding sign, or they may park in other zones as signed.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-540, filed 7/15/96, effective 8/15/96.]

WAC 504-19-560 Other permits—Availability and use. (1) Visitor permits: Visitor permits may be used only by bona fide visitors as defined by this chapter. Use by any other person constitutes illegal use of a parking permit. Visitor per-

mits are valid in any zone and parking spaces signed for visitors only. Visitor permits are not valid at meters or restricted spaces.

(2) Golden cougar permits: Golden cougar permits are special visitor permits that are issued to retired faculty and staff free of charge. They are issued on an annual basis and are valid in any zone. Faculty and staff who remain regularly employed by the university after formal retirement are not eligible to use a golden cougar permit in lieu of a regular paid permit.

(3) President's associates decals: President's associates decals are issued to eligible members of the WSU foundation. They are valid in any zone. However, WSU faculty, staff, and students may not use a president's associates decal in lieu of a paid zone permit.

(5) Motorcycle permits: Motorcycle permits are valid within boundaries of areas specifically posted and/or marked for motorcycle permits.

(7) Carpool: Upon completion of application, bona fide carpools with three or more participants will be given preference in the assignment of parking zones, and will be issued a permit instrument that will facilitate the carpool. Obtaining or using a carpool permit under false pretenses constitutes the illegal use of a permit.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-560, filed 7/15/96, effective 8/15/96.]

(1) Service indicator decals/hangers which are valid for a maximum of fifteen minutes in a marked service zone. A separate mall service indicator allows a maximum of fifteen-minute parking in the pedestrian mall. These are available to staff or students who must use a private vehicle for university business.

(2) Reserved parking indicator decals/hangers which are valid in parking spaces that are signed for the corresponding permit and indicator.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.-560 and chapter 34.05 RCW. 96-15-050, § 504-19-580, filed 7/15/96, effective 8/15/96.]

WAC 504-19-600 Disability permits. WSUV strives to comply with the Americans with Disabilities Act (ADA) parking standards.

There are two types of disability permits:

(1) Permanent physical disability. Disability permits are available to permanently disabled WSUV staff and students at the established fee. Disability permit holders may park in any zone and meter spaces if disability parking spaces are not

available. They may not park in service zones or reserved spaces if disability parking spaces are not available.

(2) Temporary physical disability. Disability permits are available to temporarily disabled staff and students for a maximum of six weeks, although they may be renewed.

Staff and students must obtain a temporary disability form from WSUV public safety. These disabled parking privileges will be granted only after submission of the form that shows the applicant meets criteria established by the ADA. The form must be completed by a health care provider. WSUV public safety will not accept substitute forms or letters.

[Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 96-15-050, § 504-19-600, filed 7/15/96, effective 8/15/96.]

PART IV: FINES, SANCTIONS, AND APPEALS

WAC 504-19-810 Violations, fines, and sanctions. (1) Violations and fines: Parking violations will be processed by the university. Fines must be paid at authorized locations. Schedules for parking violations, fines, and sanctions are posted in the public area of the parking services office and on the parking services web site.

(2) Reduction of fines: Fines for violations of overtime/nonpayment at meter and overtime in time zone paid within twenty-four hours will be reduced by one-half. Eligible violations received on Friday or Saturday can be paid on the following Monday to satisfy the twenty-four-hour requirement. Mailed fines must be postmarked within twenty-four hours to receive the one-half reduction. If a permit holder of record neglects to display his/her permit and receives a notice of violation for no parking permit, that fine will be reduced when possession of a valid parking permit for the location is verified by WSUV public safety within twenty-four hours.

(3) Visitors: The first violation of notices for no parking permit and no parking permit for this area issued to visitors are considered warning notices upon presentation to WSUV public safety.

(4) Inoperable vehicles: It is the owner's responsibility to immediately contact WSUV public safety in the event that their vehicle becomes inoperable.

[Statutory Authority: RCW 28B.30.125, 03-15-062, § 504-19-810, filed 7/14/03, effective 8/14/03. Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. 96-15-050, § 504-19-810, filed 7/15/96, effective 8/15/96.]

WAC 504-19-830 Other violations and sanctions. (1) Schedules for parking violations, fines, and sanctions are posted in the public area of the parking services office and on the parking services web site.

(2007 Ed.)

(2) Late payment of fines: Failure to pay fines and charges will result in the total amount assessed being referred for collection. Forty-five days after issuance of a notice of violation a late fee shall be added to all unpaid parking violations.

If a student or staff member fails to pay the fine assessed for any violation, the fine will be referred to the WSU controller's office for collection. The controller may, if other collection efforts fail, deduct outstanding fines from the salary warrants of employees or withhold the amount of the outstanding fines from damage deposits or other funds held for any student in order to secure payment. Where collection efforts are unsuccessful, the controller may notify the registrar to refrain from issuing student transcripts or to withhold permission to reenroll for a subsequent term until outstanding fines are paid. The procedures discussed above are not exclusive, however, and failure by anyone to pay fines may lead to towing or use of the wheel lock device described in these regulations. The procedures discussed above are not a precondition to towing or use of the wheel lock.

(3) Impound by wheel lock or towing:

(a) Any vehicle with an accumulation of three or more unpaid parking violations or any vehicle displaying a lost or stolen permit may be temporarily immobilized by use of a wheel lock device placed on a wheel. A wheel lock fee will be assessed on vehicles which are immobilized with a wheel lock.

(b) Any vehicle may be towed away at owner's/operator's expense if the vehicle:

(i) Has been immobilized by wheel lock more than twenty-four hours; or

(ii) Is illegally parked in a marked tow-away zone; or

(iii) Is a hazard or obstruction to vehicular or pedestrian traffic (including, but not limited to, vehicles parked at curbs or rails painted yellow or red or in crosswalks); or

(iv) Cannot be impounded with a wheel lock device; or

(v) Is illegally parked in a disability space.

(c) The driver and/or owner of a towed vehicle shall pay towing and storage expenses.

(d) Any vehicle immobilized by use of the wheel lock device in excess of twenty-four hours will be assessed a storage fee for each calendar day or portion thereof, beyond the first twenty-four hours.

(e) The university assumes no responsibility in the event of damages resulting from towing, use of wheel lock devices, storage, or attempts to move a vehicle with a wheel lock device installed.

(f) No vehicle impounded by towing or wheel lock devices shall be released until the following fines are paid in cash:

(i) All unpaid parking violation penalties against said vehicle and any other vehicle registered to the violator;

(ii) A wheel lock fee;

(iii) All towing and storage fees.

(g) Any vehicle impounded pursuant to these regulations in excess of thirty calendar days shall be considered an abandoned vehicle and shall be disposed of in accordance with chapter 46.55 RCW.

(h) A person wishing to challenge the validity of any fines or fees imposed under this subsection may appeal such fines or fees as elsewhere provided in these regulations.

However, in order to secure release of the vehicle, such person must pay the amount of such fines or fees as a bond which will be refunded to the extent the appeal is successful.

(i) An accumulation of six unpaid violations during any twelve-month period, exclusive of meter violations, and overtime in time zone violations, will subject the violator to revocation or denial of parking privileges. Vehicles without permits which accumulate the above number of violations may be prohibited from parking on university property.

(4) Failure to pay fines: Failure to pay a fine or comply with other penalties assessed pursuant to these regulations after exhausting or failing to exercise appeals provided for in these regulations constitutes a violation of RCW 28B.10.560. A citation or complaint for such violations may be issued and filed with the district court. Upon request of the university, the department of licensing may withhold vehicle registration pending the payment of outstanding parking fines.

[Statutory Authority: RCW 28B.30.125, 03-15-062, § 504-19-830, filed 7/14/03, effective 8/14/03. WAC 504-19-860 Appeals procedure. (1) Purpose: The parking appeals committee serves two primary functions:

(a) To assure an impartial evaluation of the circumstances relating to a particular parking violation; and

(b) To aid in the appraisal of parking and traffic problems.

(2) Procedure: Any person who has received notice of a parking violation may appeal the alleged violation. The appellant may request more information from WSUV public safety. The appeal must be in writing and received at WSUV public safety within ten calendar days after receipt of notice of the violation. Forms for this purpose are available from WSUV public safety. The parking appeals committee will make an initial decision on the appeal within twenty calendar days during the academic year and forty-five calendar days during the summer months after receipt of the appeal. The committee will serve a brief statement of the reasons for its decision on appellant within ten days of the decision.

(3) Review of initial decision: If the appellant is dissatisfied with the initial decision, he/she may request a hearing before a hearing officer or appeals committee. Such request must be made within ten calendar days of service of the notice of the initial decision. If no such request is received, the initial decision shall be final. During the review hearing the appellant and representatives of WSUV public safety may present and cross-examine witnesses. The hearing officer or appeals committee shall render a decision in writing and serve appellant with the decision within five calendar days after the review hearing.

(4) Appeal to district court: RCW 28B.10.560 provides that a person who is not satisfied with the final decision of the university may appeal to district court. WAC 504-21-010 University policy on student education records. Public Law 93-380, the Family Educational Rights and Privacy Act of 1974, requires that the university adopt guidelines concerning the right of a student to inspect his or her education records, and guidelines concerning the release of personally-identifiable information to third parties. The act further provides that such a student has the right to a hearing in order to provide for the correction or deletion of inaccurate, misleading or otherwise inappropriate data. The act also provides that students be informed of the types of education records maintained by the university that are directly related to students.

Consistent with that act, this policy on student education records is established to insure that information contained in such records is treated in a responsible manner with due regard to the personal nature of the information.

[Order 77-1, § 504-21-010, filed 5/2/77.]

WAC 504-21-020 Definition of a student. A student is defined as any person who is or has been officially enrolled at Washington State University and with respect to whom the university maintains education records or personally-identifiable information.

[Order 77-1, § 504-21-020, filed 5/2/77.]

WAC 504-21-030 Education records—Student's right to inspect. (1) A student has the right to inspect and review his or her education records. A list of the types of education records maintained by the university and the record locations may be obtained by the student at the office of student affairs or at the registrar's office.

(a) For purposes of this chapter the term "education records" means those records, files, documents and other materials which contain information directly related to a student.

(b) The term "education records" does not include:

(i) Records of instructional, supervisory and administrative personnel and educational personnel ancillary thereto which are in the sole possession of the maker thereof and which are not accessible or revealed to any other person except a substitute or the maker's administrator.

(ii) Records of the university police department which are maintained by the law enforcement unit of WSU that were created by the WSU law enforcement unit for the purposes of law enforcement.

(iii) Records made and maintained in the normal course of business which relate exclusively to the person's capacity

(2007 Ed.)

as an employee and are not available for any other purposes. Records relating to an individual in attendance at the agency or institution who is employed as a result of his or her status as a student are education records and not excepted under this paragraph.

(iv) Records on a student which are created or maintained by a physician, psychiatrist, psychologist or other recognized professional or para-professional, acting in a professional or para-professional capacity, or assisting in that capacity and which are created, maintained or used only in connection with the provision of treatment to the student, and are not available to anyone other than persons providing such treatment. Such records can be personally reviewed by a physician or other appropriate professional of the student's choice. In addition, health care information may be disclosed if authorized by state law.

(v) Records that contain information about an individual after he or she is no longer a student at that agency or institution.

(2) Recommendations, evaluations or comments concerning a student that are provided in confidence, either expressed or implied, as between the author and the recipient, shall be made available to the student, except as provided in this subsection.

(a) The student may specifically release his or her right to review where the information consists only of confidential letters and recommendations respecting:

(i) Admission to any educational institution, or

(ii) Employment application information and documents filed and maintained at the student's request at the university office of career services and placement.

(iii) Receipt of an honor or honorary recognition.

(iv) Faculty evaluations and other education records placed in departmental files where the department serves in a placement or referral capacity.

(b) A student's waiver of his or her right of access to confidential statements is valid only if:

(i) The student, upon request, shall be notified of the names of all persons making confidential statements concerning him; and

(ii) Confidential statements shall be used solely for the purpose for which they were originally intended; and

(iii) Such waivers are not required as a condition for admission to, receipt of financial aid from, or receipt of any other services or benefits from the university.

(iv) The waiver is made in writing and signed by the student, regardless of age.

(c) Recommendations, evaluations or comments concerning a student that have been provided in confidence, either expressed or implied, as between the author and the recipient, prior to January 1, 1975, shall not be subject to release to the student. Such records shall remain confidential and shall be released only with the consent of the author of the specific document. Such records shall be used by the institution only for the purpose for which they were originally intended.

(3) Where requested records or data include information on more than one student, the student shall be entitled to receive or be informed of only that part of the record or data that pertains to the requesting student.

(4) Students have the right to obtain copies of their education records. Charges for the copies shall not exceed the cost normally charged by a Washington State University copy center (except in cases where charges have previously been approved for certain specified services, such as transcripts and grade sheets).

(5) The registrar is the official custodian of academic records and therefore is the only official who may issue a transcript of the student's official academic record.

(6) Student education records may be destroyed in accordance with a department's routine retention schedule where the departmental procedure has been approved by the university records officer. In no case will any record which is requested by a student for review in accordance with these regulations be removed or destroyed prior to final disposition of the record request.

[Statutory Authority: RCW 28B.30.150 and 20 U.S.C. 1232g, 95-07-043, § 504-21-030, filed 3/8/95, effective 4/8/95; Order 77-1, § 504-21-030, filed 5/2/77.]

WAC 504-21-040 Requests and appeal procedures.

(1) A request by a student for review of information shall be made in writing to the university employee or office having custody of the particular record.

(2) The person or office receiving a proper request for review of information must respond to a request for education records within a reasonable period of time, but in no case more than forty-five days after the request has been made. A university employee or office which is unable to comply with a student's request within the above-stated time period shall inform the student of that fact and the reasons therefor in writing.

(3)(a) A student who believes his or her request has not been properly answered by a particular person or office should consult the appropriate dean or director having supervisory responsibility for the office.

(b) If a student remains dissatisfied after consulting with the appropriate dean or director, the student may then request a hearing before the university's student records committee. Following the hearing, the university's student records committee shall render its decision within a reasonable period of time. The decision of the university's student records committee shall be final, *except as provided in WAC 504-21-080*.

(c) In no case shall any request for review by a student be considered by the university's student records officer which has not been filed with that officer in writing within ninety days from the date of the initial request to the custodian of the record.

(d) The student records committee shall not review any matter regarding the appropriateness of official academic grades. (University Academic Regulation 104, "academic complaint procedure" should be followed in all cases involving grading disputes.)

(e) Eligible students are hereby notified of their right to file a complaint with the Department of Education concerning any alleged failure of Washington State University to comply with the Family Educational Rights and Privacy Act of 1974, as amended.

[Statutory Authority: RCW 28B.30.150 and 20 U.S.C. 1232g, 95-07-043, § 504-21-040, filed 3/8/95, effective 4/8/95; Order 77-1, § 504-21-040, filed 5/2/77.]

WAC 504-21-050 Release of personally-identifiable records. (1) The university shall not permit access to or the release of education records or personally-identifiable information contained therein, other than "directory information," (as defined in paragraph 5 of this section), without the written consent of the student to any party other than the following:

(a) University staff and faculty, including deans, department and program chairs and academic advisers, and faculty and students when officially appointed to a university senate or administrative committee, when the information is required for a legitimate educational interest within the performance of their responsibilities to the university, with the understanding that its use will be strictly limited to the performance of those responsibilities.

(b) Federal and state officials requiring access to education records in connection with the audit and evaluation of a federally- or state-supported education program or in connection with the enforcement of federal or state legal requirements which relate to such programs. In such cases the information required shall be protected by the federal or state official in a manner which will not permit the personal identification of students and their parents to other than those officials, and such personally-identifiable data shall be destroyed when no longer needed for such audit, evaluation or enforcement of legal requirements.

(c) Persons or organizations, other than parents or legal guardians, providing to the student financial aid, or determining financial aid decisions concerning eligibility, amount, condition, and enforcement of terms of said aid.

(d) Organizations conducting studies for or on behalf of the university for purposes of developing, validating or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students by persons other than representatives of such organizations, and such information will be destroyed when no longer needed for the purposes for which it was provided.

(e) Education records may be used for legitimate academic research; provided that

(i) The procedures utilized and the reported findings do not violate the student's confidence;

(ii) Students' names will not be included in the study or in any way linked with the data;

(iii) Case histories and case records are sufficiently disguised to prevent identification of the individuals involved; and

(iv) The student's written permission is obtained where individual identification occurs.

(f) Accrediting organizations in order to carry out their accrediting functions.

(g) Any person or entity designated by judicial order or lawfully-issued subpoena, upon condition that a reasonable attempt has been made to notify the student of all such orders or subpoenas in advance of the compliance therewith unless the subpoena is issued for a law enforcement purpose or is issued by a federal grand jury and the court or other issuing agency has ordered that the existence of the subpoena not be disclosed. Any university employee or office receiving a subpoena or judicial order for education records should immedi-

ately notify the WSU division of the office of the attorney general.

(h) Parents or legal guardians of a student who have established that student's status as their dependent according to Internal Revenue Code.

(i) An alleged victim of any crime of violence or non-forcible sexual offense, as they are defined in Appendix A to 34 CFR Part 99, shall be informed of the results of any disciplinary proceeding conducted by WSU against the alleged perpetrator of that crime with respect to that crime.

(j) To the office of the attorney general when disclosure is to comply with a judicial order or to provide legal advice.

(k) WSU may provide to parents or guardians of students under age twenty one information regarding violations of federal, state, or local laws or the university's conduct code where such violations concern the use or possession of alcohol or controlled substances and where WSU determines that those students have committed such violations.

(l) When either the student initiates legal action against WSU or when WSU initiates legal action against the student, WSU may disclose to the court any educational records of the student that are relevant to the legal action.

(m) Information may be disclosed in conformance with other exceptions to the prior written consent requirement of the Family Educational Rights and Privacy Act and implementing regulations found at 34 C.F.R. § 99. A copy of these regulations may be obtained from the Office of the Registrar.

(2) Where the consent of a student is obtained for the release of education records, it shall be in writing, signed and dated by the person giving such consent, and shall include:

(a) A specification of the records to be released,

(b) The reasons for such release, and

(c) The names of the parties to whom such records will be released unless the nature of the activity is such that advance identification of recipients is not possible such as employment assistance provided by the university office of career services and placement, in which case an effort will be made to identify recipients of information as they become known.

(3) In cases where records are made available without student consent as permitted by WAC 504-21-050 (1)(b), (c), (d), (e), (f), (i) and (j) the university shall maintain a record which will indicate the parties which have requested or obtained access to a student's records maintained by the university and which will indicate the legitimate interest of the requesting party. Releases in accordance with WAC 504-21-050 (1)(a) need not be recorded.

(4) Personally-identifiable education records released to third parties, with or without student consent, shall be accompanied by a printed statement indicating that the information cannot be subsequently released in a personally-identifiable form to any other parties without obtaining consent of the student unless such disclosures are made pursuant to WAC 504-21-050 (1)(g), (h), (j), (k), or (l) or the information released is directory information as defined in paragraph 5 of this section.

(5) The term "directory information" used in WAC 504-21-050(1) is defined as student's name (including any former name), local and permanent addresses and telephone numbers, electronic mail address(es), major and minor fields of study, participation in officially-recognized activities in

sports, weight and height of members of athletic teams, dates of attendance, enrollment status (e.g., undergraduate of graduate; full time or part-time), grade level, degrees, certificates, and awards received including the president's honor roll, and the most recent previous educational institution attended by the student. Students may request that the university not release directory information by filing a request with the registrar's office or the office of payroll services.

(6) Information from education records may be released to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person(s).

ARTICLE III RULES AND REGULATIONS

WAC 504-26-301 Malicious intent. If a student is found responsible for violating any provision of this code as a result of causing injury to another or to another's property, or as a result of placing another in reasonable fear of injury to self or property, and if the responsible student is found to have intentionally selected the victim based upon the responsible student's perception of the victim's race, color, religion, ancestry, national or ethnic origin, age, gender, marital status, veteran status, sexual orientation, gender identity, or mental, physical, or sensory disability, such finding is considered an aggravating factor in determining a sanction for such conduct.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-301, filed 11/22/06, effective 12/23/06.]

[Title 504 WAC—p. 42]

WAC 504-26-305 Violation of law and university discipline. (1) University disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and the standards of conduct for students (that is, if both possible violations result from the same factual situation) without regard to pending civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under these standards may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the vice-president for student affairs or designee. Determinations made or sanctions imposed under these standards are not subject to change because criminal charges arising out of the same facts giving rise to violation of university rules were dismissed, reduced, or resolved in favor of the criminal law defendant. A student charged with criminal offenses may choose to remain silent during conduct proceedings, recognizing that he or she gives up the opportunity to explain his or her version of events and that the decision is made based on the information presented at the hearing.

(2) When a student is charged by federal, state, or local authorities with a violation of law, the university does not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under the standards of conduct for students, the university may advise off-campus authorities of the existence of the standards and of how such matters are typically handled within the university community. The university attempts to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). Individual students and other members of the university community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-305, filed 11/22/06, effective 12/23/06.]

ARTICLE IV STUDENT CONDUCT CODE PROCEDURES

WAC 504-26-401 Complaints and student conduct process. (1) Any member of the university community may file a complaint against a student for violations of the standards of conduct for students. A complaint is prepared in writing and directed to a student conduct officer. Any complaint is to be submitted as soon as possible after the event takes place, preferably within thirty days.

(2) A student conduct officer, or designee, may review and investigate any complaint to determine whether it appears to state a violation of the code of conduct. If a conduct officer determines that a complaint appears to state a violation of the student code of conduct, she or he considers whether the matter might be resolved through agreement with the accused or through alternative dispute resolution proceedings involving the complainant and the accused. The complainant and the accused are informed of university options for alternative dispute resolution and may request that the matter be addressed using alternative dispute resolution techniques. Generally, the accused and complainant must agree to

(2007 Ed.)

the use of alternative dispute resolution techniques. If the accused and the student conduct officer reach an agreed resolution of the complaint, the disposition is final; there is no right to appeal from an agreed disposition.

(3) If the conduct officer has determined that a complaint has merit and if the matter is not resolved through agreement or alternative dispute resolution, the matter is handled through either a conduct officer hearing or as a conduct board hearing.

(a) When the allegation involves a student/university community complainant and the accused disputes the facts and/or denies responsibility, the matter is referred to the university conduct board.

(b) If the possible or recommended sanction is expulsion or suspension, except for suspensions resulting from violations of the alcohol or drug provisions of this code, the matter is referred to the university conduct board.

(c) Matters other than those listed in (a) and (b) of this subsection are heard by a conduct officer, unless the conduct officer exercises his or her discretion to refer the matter to a conduct board at any time before a decision is issued. A student may request that a conduct board hear the case, but the final decision on the matter is made by the university conduct officer and such decision is not subject to appeal.

(4) The student conduct officer provides complainants who have been targets of alleged misconduct or who feel victimized thereby with names of university and community advocates or resources who may be able to help the complainant address his or her concerns about the behaviors and provide support to the complainant throughout the conduct process. Due to federal privacy law, the university may not disclose to the complainant any sanctions taken against the accused student, unless the complainant was the victim of a violent crime for which the accused was found responsible as defined under the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. Sec. 1232g; 34 CFR Part 99), or the accused student consents to such disclosure.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-401, filed 11/22/06, effective 12/23/06.]

WAC 504-26-402 Conduct officer actions. (1) Any student charged by a conduct officer with a violation of any provision of standards of conduct for students is informed of the bases for those charges and of the time, date, and place of a conference between the student and the conduct officer.

(a) The conduct officer provides notice by personal delivery or by regular United States mail addressed to the student or student organization at his, her, or its last known address. Duplicate notice may be provided by electronic mail.

(b) If the student is no longer enrolled at the time notice is sent, the notice is sent to the student's permanent address recorded in the registrar's files. The student or student organization is responsible for maintaining an updated mailing address on file with the registrar.

(c) Any request to continue the conduct officer conference/hearing should be addressed to the conduct officer.

(2) In order that any informality in disciplinary proceedings not mislead a student as to the seriousness of the matter under consideration, the student is informed of the potential sanctions involved at the initial conference or hearing.

(3) After a review of the evidence and interviewing the student(s) involved in the case, the conduct officer may take any of the following actions:

(a) Terminate the proceeding exonerating the student or students;

(b) Dismiss the case;

(c) Impose verbal warning to the student directly, not subject to the student's right of appeal as provided in this code;

(d) Impose additional sanctions of reprimand, probation, or, for violations of alcohol or drug policies, suspension. Such sanctions are subject to the student's right of appeal as provided in this code; or

(e) Refer the matter to the student conduct board pursuant to WAC 504-26-401(3).

(4) The student is notified in writing of the determination made by the conduct officer within ten business days of the proceeding. The student is also notified of his or her right to appeal pursuant to WAC 504-26-407.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-402, filed 11/22/06, effective 12/23/06.]

WAC 504-26-403 Conduct board proceedings. (1)

Any student charged by a conduct officer with a violation of any provision of standards of conduct for students that is to be heard by a conduct board is provided notice by personal delivery or by regular United States mail addressed to the student or student organization at her, his, or its last known address.

(a) If the student is no longer enrolled at the time notice is sent, the notice is sent to the student's permanent address recorded in the registrar's files.

(b) The student or student organization is responsible for keeping an updated mailing address on file with the registrar.

(2) The written notice shall be completed by the conduct officer and shall include:

(a) The specific complaint, including the university policy or regulation allegedly violated;

(b) The approximate time and place of the alleged act that forms the factual basis for the charge of violation;

(c) The time, date, and place of the hearing;

(d) A list of the witnesses who may be called to testify, to the extent known;

(e) A description of all documentary and real evidence to be used at the hearing, to the extent known, including a statement that the student shall have the right to inspect his or her student conduct file.

(3) Time for hearings.

(a) The conduct board hearing is scheduled not less than seven days after the student has been sent notice of the hearing, except in the case of interim suspensions as set forth in WAC 504-26-406. Ordinarily, the hearing occurs within fifteen days of notice.

(b) Requests to continue the hearing date must be addressed to the chair of the university conduct board. Requests made by an accused student must be copied to the office of student conduct; requests made by the office of student conduct must be copied to the accused student. A continuance is granted only upon a showing of good cause.

(4) University conduct board hearings are conducted by a university conduct board according to the following guidelines, except as provided by subsection (6) of this section:

(a) Procedures:

(i) University conduct board hearings are conducted in private.

(ii) The complainant, accused student, and his or her advisor, if any, are allowed to attend the entire portion of the university conduct board hearing at which information is received (excluding deliberations). Admission of any other person to the university conduct board hearing is at the discretion of the university conduct board chair and/or the student conduct officer.

(iii) In university conduct board hearings involving more than one accused student, the student conduct officer, at his or her discretion, may permit joint or separate hearings.

(iv) In university conduct board hearings involving graduate students, board memberships are comprised to include graduate students and graduate teaching faculty to the extent possible.

(v) The complainant and the accused student have the right to be assisted by an advisor they choose, at their own expense. The complainant and/or the accused student is responsible for presenting his or her own information, and therefore, advisors are not permitted to speak or to participate directly in any university conduct hearing. An advisor may communicate with the accused and recesses may be allowed for privacy. A student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the university conduct board hearing because delays are not normally allowed due to the scheduling conflicts of an advisor.

(vi) The complainant, the accused student, and the student conduct officer may arrange for witnesses to present pertinent information to the university conduct board. The conduct officer tries to arrange the attendance of possible witnesses who are identified by the complainant. Complainant witnesses must provide written statements to the conduct officer at least two weekdays prior to the hearing. Witnesses identified by the accused student must provide written statements to the conduct officer at least two weekdays prior to the conduct hearing. The accused student is responsible for informing his or her witnesses of the time and place of the hearing. Witnesses provide information to and answer questions from the university conduct board. Questions may be suggested by the accused student and/or complainant to be answered by each other or by other witnesses. Written questions are directed to the conduct board chair, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an unduly adversarial environment, and to allow the board chair to determine the relevancy of questions. Questions concerning whether potential information may be received are resolved at the discretion of the chair of the university conduct board.

(vii) Pertinent records, exhibits, and written statements (including student impact statements) may be accepted as information for consideration by a university conduct board at the discretion of the chair.

(viii) Questions related to the order of the proceedings are subject to the final decision of the chair of the university conduct board.

(ix) After the portion of the university conduct board hearing concludes in which all pertinent information is received, the student conduct board shall determine (by majority vote) whether the accused student has violated each section of the standards of conduct for students as charged.

(x) The university conduct board's determination is made on the basis of a "preponderance of the evidence," that is, whether it is more likely than not that the accused student violated the standards of conduct for students.

(xi) Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in conduct proceedings. Evidence, including hearsay, is admissible if it is the type of evidence that reasonable members of the university community would rely upon in the conduct of their affairs. Additionally, rules of privilege and relevancy apply.

(b) The accused student or student organization is notified of the conduct board's decision within ten calendar days from the date the matter is heard. The accused student or organization shall receive written notice of the decision, the reasons for the decision (both the factual basis therefore and the conclusions as to how those facts apply to the conduct code), the sanction, notice that the order will become final unless internal appeal is filed within twenty-one days of the date the letter was personally delivered or deposited in the U.S. mail, and a statement of how to file an appeal.

(i) The conduct board's written decision is sent by regular mail or personal delivery, and may also be sent by electronic mail to the accused student's or the president of the student organization's last known address, as set forth in the registrar's files.

(ii) The written decision is the university's initial order.

(iii) If the student or organization does not appeal the conduct board's decision within twenty-one calendar days from the date of the decision letter, it becomes the university's final order.

(5) There is a single verbatim record, such as a tape recording, of all university conduct board hearings (not including deliberations). Deliberations are not recorded. The record is the property of the university.

(6) If an accused student who has been provided notice of the hearing does not appear before a university conduct board hearing, the information in support of the complaint is presented and considered in his or her absence, and the board may issue a decision based upon that information.

(7) The university conduct board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witnesses during the hearing by providing separate facilities, and/or by permitting participation by telephone, audio tape, written statement, or other means, as determined in the sole judgment of the vice-president for student affairs or designee to be appropriate.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-403, filed 11/22/06, effective 12/23/06.]

WAC 504-26-404 Procedure for academic integrity violations. (1) When a responsible instructor finds that a violation of academic integrity has occurred, the instructor assembles the evidence and assigns a grade, or takes other

appropriate action, considering the academic nature of the violation.

(2) The instructor shall notify the office of student conduct of the violation.

(3) If the violation is a first offense for the student, the office of student conduct sends a warning letter to the student informing him or her that a conduct file has been created. The office of student conduct takes no additional action unless the violation is serious enough to warrant further action or the student denies the allegation(s) and requests a hearing.

(4) If the student has a prior academic integrity violation, the case is handled according to the normal conduct procedures. Hearing officers for academic integrity matters are teaching faculty trained as university conduct board members. Serious or multiple violations which may result in suspension or expulsion are referred to a university conduct board.

(5) A student wishing to appeal a grade assigned by the instructor must follow academic regulation 104 in the university catalog. To view the catalog, go to the registrar's office web site at: <http://www.registrar.wsu.edu>.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-404, filed 11/22/06, effective 12/23/06.]

WAC 504-26-405 Sanctions. (1) The following sanctions may be imposed upon any student found to have violated the standards of conduct for students:

(a) Warning. A notice in writing to the student that the student is violating or has violated institutional regulations.

(b) Probation. Formal action placing conditions upon the student's continued attendance at the university. Probation is for a designated period of time and warns the student that suspension or expulsion may be imposed if the student is found to violate any institutional regulation(s) or fails to complete his or her conditions of probation during the probationary period. A student on probation is not eligible to run for or hold an office in any student group or organization; she or he is not eligible for certain jobs on campus, including but not limited to resident advisor or orientation counselor, and she or he is not eligible to serve on the university conduct board.

(c) Loss of privileges. Denial of specified privileges for a designated period of time.

(d) Restitution. Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

(e) Education. The university may require the student to complete an educational project designed to create an awareness of the student's misconduct.

(f) Community service. Imposition of service hours (not to exceed eighty hours per student or per member of an organization).

(g) Residence hall suspension. Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

(h) Residence hall expulsion. Permanent separation of the student from the residence halls.

(i) University suspension. Separation of the student from the university for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. More than two violations of the standards of

(2007 Ed.)

conduct for students involving alcohol or drugs may result in a suspension of one or more semesters.

(j) University expulsion. Permanent separation of the student from the university.

(k) Revocation of admission and/or degree. Admission to or a degree awarded from the university may be revoked for fraud, misrepresentation, or other violation of university standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

(l) Withholding degree. The university may withhold awarding a degree otherwise earned until the completion of the process set forth in this student conduct code, including the completion of all sanctions imposed, if any.

(m) Trespass. A student may be restricted from university property based on his or her misconduct.

(n) Loss of recognition. A student organization's recognition may be withheld permanently or for a specific period of time. A fraternity or sorority may be prohibited from housing freshmen. Loss of recognition is defined as withholding university services or administrative approval from a student organization. Services and approval to be withdrawn include, but are not limited to, intramural sports (although individual members may participate), information technology services, university facility use and rental, campus involvement office organizational activities, and office of Greek life advising.

(o) Hold on transcript and/or registration. This is a temporary measure restricting release of a student's transcript or access to registration. Upon satisfactory completion of the conditions of the sanction, the hold is released.

(p) No contact order. A prohibition of direct or indirect physical, verbal, and/or written contact with another individual or group.

(2) More than one of the sanctions listed above may be imposed for any single violation.

(3) Other than university expulsion or revocation or withholding of a degree, disciplinary sanctions are not made part of the student's permanent academic record, but shall become part of the student's disciplinary record.

(4) In cases heard by university conduct boards, sanctions are determined by that board. The student conduct officer has the authority to assign sanctions in conduct officer hearings or cases in which the accused student takes responsibility for violations of the standards of conduct for students.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-405, filed 11/22/06, effective 12/23/06.]

WAC 504-26-406 Interim suspension. In certain circumstances, the vice-president for student affairs, or a designee, may impose a university suspension prior to the university conduct board hearing.

(1) Interim suspension may be imposed only in situations involving an immediate danger to the health, safety or welfare of:

(a) Any part of the university community or public at large; or

(b) The student's own physical safety and well-being.

(2) Conduct that creates an ongoing disruption of, or interference with, the operations of the university and that prevents other students, employees, or invitees from members of the university community from completing their

duties as employees or students, is conduct harmful to the welfare of members of the university community.

(3) During the interim suspension, a student may be denied access to the residence halls, and/or to the campus (including classes), and/or all other university activities or privileges for which the student might otherwise be eligible, as the vice-president for student affairs or designee may determine to be appropriate.

(4) The vice-president for student affairs or designee ordering an interim suspension prepares a brief written decision containing the reasons for the decision (both the factual basis and the conclusions as to why those facts constitute a violation of the student code of conduct), and the policy reasons for the interim suspension. The vice-president of student affairs or designee sends copies of the decision by personal delivery or by U.S. mail to all persons or offices bound by it (including, at a minimum, the suspended student and the office of student conduct).

(5) The interim suspension does not replace the regular hearing process, which shall proceed to hearing as quickly as feasible, ordinarily within five working days where the accused student has not consented to a longer time frame.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-406, filed 11/22/06, effective 12/23/06.]

WAC 504-26-407 Review of decision. (1) A decision reached by the university conduct board or a sanction imposed by the student conduct officer may be appealed by the accused student(s) to an appellate board within twenty-one days of the date of the decision letter.

(a) The university president or designee, of his or her own initiative, may direct that an appeals board be convened to review a conduct board decision without notice to the parties. However, the appeals board may not take any action less favorable to the accused student(s), unless notice and an opportunity to explain the matter is first given to the accused student(s).

(b) The accused and the office of student conduct may explain their views of the matter to the appeals board in writing.

(c) The appeals board shall make any inquiries necessary to ascertain whether the proceeding must be converted to a formal adjudicative hearing under the Administrative Procedure Act (chapter 34.05 RCW).

(2) Except as required to explain the basis of new information, an appeal is limited to a review of the verbatim record of the university conduct board hearing and supporting documents for one or more of the following purposes:

(a) To determine whether the university conduct board hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the standards of conduct for students were violated, and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures are not a basis for sustaining an appeal unless significant prejudice results.

(b) To determine whether the decision reached regarding the accused student was based on substantial information, that is, whether there were facts in the case that, if believed by

the fact finder, were sufficient to establish that a violation of the standards of conduct for students occurred.

(c) To determine whether the sanction(s) imposed were appropriate for the violation of the standards of conduct for students which the student was found to have committed.

(d) To consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original student conduct board hearing.

(3) The university appeals board shall review the record and any briefing filed by the parties and make one of the following determinations:

(a) Affirm, reverse or modify the conduct board's decision;

(b) Affirm, reverse, or modify the sanctions imposed by the conduct board.

(4) The appeal board's decision is entered within twenty calendar days from the date of the appeal letter. By the close of the next business day following entry of the order, the decision is provided to the accused student(s) by personal delivery or deposited into the United States mail addressed to the last known address of the accused student(s). It is the student's responsibility to maintain a correct and updated address with the registrar. The university appeal board's decision letter is the final order and shall advise the student or student organization that judicial review may be available.

(5) The appeals board decision is effective as soon as the order is signed. A petition to delay the date that the order becomes effective (a "petition for stay") may be directed to the chair of the appeals board within ten days of the date the order was delivered to the student or placed in the U.S. mail. The chair shall have authority to decide whether to grant or deny the request.

[Statutory Authority: RCW 28B.30.150. 06-23-159, § 504-26-407, filed 11/22/06, effective 12/23/06.]

ARTICLE V RECORDS

(2) The disciplinary record is confidential.

(3) A student may request a copy of his or her own disciplinary record at his or her own reasonable expense by making a written request to the office of student conduct.

(4) Personally identifiable student information is redacted to protect another student's privacy.

(5) A student may authorize release of his or her own disciplinary record to a third party in compliance with the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. Sec. 1232g; 34 CFR Part 99) by making a written request to the office of student conduct.

(6) The university may inform the complainant of the outcome of any disciplinary proceeding involving a crime of violence as defined by FERPA (20 U.S.C. Sec. 1232g; 34 CFR Part 99).

(7) The university may not communicate a student's disciplinary record to any person or agency outside the university without the prior written consent of the student, except as

required or permitted by law. Exceptions include but are not limited to:

(a) The student's parents or legal guardians may review these records if the student is a minor or a dependent for tax purposes as defined by FERPA (20 U.S.C. Sec. 1232g; 34 CFR Part 99).

(b) Release to another educational institution, upon request, where the student seeks or intends to enroll, as allowed by FERPA (20 U.S.C. Sec. 1232g; 34 CFR Part 99).

WAC 504-28-010 Student organizations. (1) Recognition process.

(a) Recognition. The university recognizes a wide variety of student groups to facilitate diverse interests of the student body. Attendant to recognition, groups are granted certain privileges and assume certain responsibilities as set forth in these rules. Recognition in no way implies that the university plans, organizes, or sanctions any particular activity or policy of a student group.

(2007 Ed.)

(b) Union board. The union board recommends and reviews policies pertaining to all student organizations. Based on those policies the associate director, activities and recreational sports, determines whether or not it is appropriate that the university recognize a particular organization. The board serves as an appeal body.

(2) Membership in organizations.

(a) Full membership in student organizations will be restricted to enrolled graduate and undergraduate students at Washington State University.

(b) Faculty and others may participate as honorary or associate members (at the option of the group) as specified in the group's constitution.

(c) Only full members may be eligible to vote on matters of business or hold elective office in the organization.

(3) Obtaining recognition for organizations.

(a) To become an approved student organization, recognition must be granted by the associate director, activities and recreational sports, or the union board. Contact the activities/recreational sports office, CUB 337.

(b) Before requesting recognition, the group should hold a meeting of interested persons to draft a constitution, elect officers, and select an advisor. Constitutions normally include:

(vii) Parliamentary authority and method of amending the constitution.

(viii) Adoption and amendment procedures.

(ix) A description of the organization's safety program.

(x) Responsibilities of the advisor.

(c) Washington State University will not recognize any student organization which denies membership to any student because of race, religion, sex, color, national or ethnic origin, age, marital status, sexual orientation, veteran status or disability except that the permissibility of a single-sex organization will be evaluated in accord with Title IX guidelines. Recognized student organizations must insure that additional policies and procedures do not create de facto differentiation.

(d) Students who feel they have been denied membership in violation of (c) of this subsection may appeal to the union board.

(e) Washington State University shall not recognize a student group if recognition would violate local, state, or federal law.

(4) Requirements and responsibilities of recognized organizations.

(a) Officers of organizations are responsible for seeing that the organization abides by university rules and regulations, concerning scheduling, financial projects, advertising, and other policies of the union board.

(b) Recognized organizations must have an advisor (see WAC 504-28-020 Advisors).

(c) Funds must be deposited into a faculty, student, and alumni account in the controller's office, which acts as a free banking service.

(d) The following records must be kept current in the activities/recreational sports office:

WAC 504-40-010 General policies. (1) The major functions of the Washington State University libraries are to provide access to the corpus of information and documents essential to the institution's teaching, research, and service programs, especially by acquiring and preserving material; to organize these materials; to store them; to retrieve them upon demand; and to adapt and to assist in adapting them for most effective use.

The WSU libraries' collections contain this information and knowledge in its physical forms—books, journals, manuscripts, microforms, films, recordings, maps, magnetic data files, and other resources including equipment significant to the teacher, the student, and the researcher.

(2) The WSU libraries' policies and regulations are based on the belief that the needs of the university community as a whole take precedence over individual convenience.

(3) Upon request and suitable justification by the library user, exceptions to the regulations may be made. To insure that exceptions are made with the full knowledge of the research and instructional needs of the university community, such exceptions may be made only by an appropriate library faculty or staff member as designated by the director of libraries or the campus librarian at a WSU branch campus.

(4) In the WSU libraries' buildings persons are expected to maintain appropriate public behavior and to adhere to such food and beverage policies as are established by the Director of Libraries. Smoking and other uses of tobacco are prohibited in the libraries.

(5) Violators of WSU libraries' regulations may be subject to appropriate disciplinary action by the university.

(6) Unless otherwise required by law, the WSU libraries will not release the name or address of the borrower who has or had an item checked out or who has placed a hold on an item.

(7) These policies and regulations will apply equally to all libraries operated by the WSU libraries.

(8) The board of regents reserves the right to add, delete, or modify portions of these regulations in accordance with its regulations and applicable laws.

WAC 504-40-020 Library patron identification. (1) Under the regulation governing the use of varying types of resources by different groups of library patrons, the WSU libraries' resources, facilities, and services are available to the Washington State University community, citizens of the state, students, faculty and staff of other academic institu-

tions, and special borrowers not otherwise identified who have been granted permission to borrow library materials.

(2) Borrower identification cards: In order to check out library materials, each borrower must present one of the following valid authorized library borrower cards:

- (a) A WSU faculty or staff card;
- (b) A WSU student ID card with current validation;
- (c) An off-campus borrower card with current validation; or
- (d) A proxy card with current validation.

(3) Borrower identification cards are uniformly issued to all members of the university community. Verification of the status of the borrower conferred by the card is the responsibility of the issuing authority and the status cannot be altered by the WSU libraries.

(4) Upon application and with proper identification, the WSU libraries will issue authorized borrower cards to persons (high school age or older) who are not members of the university community.

(5) A borrower card is authorized for use only by the person whose name appears on the card.

(6) Cards used in an unauthorized manner or cards reported as lost or stolen may be confiscated.

(7) Each borrower is responsible for keeping the appropriate university office informed of changes of address.

WAC 504-40-030 Internal use of library materials, facilities, and services. (1) Although the largest part of the collection is free to circulate outside the WSU libraries, certain kinds of materials are restricted to use within the WSU libraries. These may be consulted or read within the WSU libraries.

(a) Reference materials, abstracts and indexes, special reserve and noncirculating periodicals (bound and unbound) as determined by the appropriate unit of the WSU libraries. These selected materials, normally restricted to in-library use, may circulate in very unusual circumstances with special permission upon approval of an appropriate library faculty or staff member.

(b) Manuscripts, archives, and special collections: These rare, often irreplaceable, and sometimes unique materials may be used only within the manuscripts, archives, and special collections unit. Each user must register with the attendant, must take extreme care in handling the materials, must keep intact their exact order and arrangement, and must make all notes in pencil, or with a typewriter, microcomputer, or similar device.

WAC 504-40-045 External use of library resources.

(1) Borrowing of library materials:

(a) Borrowers are expected to check out library material personally or by official proxy.

(b) WSU faculty may appoint not more than two proxies to borrow on their behalf, but each proxy must hold his or her own valid authorized borrower card. Information about proxy identification cards may be obtained from the circulation desk of any library.

(c) Borrowers are responsible for material checked out in their names until the material is returned. Faculty utilizing proxy borrowers assume the responsibility for all materials borrowed in their name by their proxies.

(d) WSU faculty, staff, and students stationed at locations away from the Pullman campus may borrow library materials through extended campus library services or inter-library loans.

(2) Due dates for library materials: Material is due on the date and hour specified at the time checked out or as adjusted by recall. Material loaned on an hourly basis is due at the library unit from which it was borrowed by the date and hour specified.

(3) Return of library materials:

(a) Reserve materials, periodicals, and special loans must be returned directly to the library unit from which they were borrowed. If they are returned to another library unit, they will be considered returned at the date and time they are received at the unit from which they were borrowed.

(b) Other material is considered returned on the date it is checked in at any unit of the library system. This does not apply to departmental libraries not operated by the WSU libraries.

(c) Materials returned to "book return" receptacles during closed hours are considered to have been returned at closing time of the previous open day.

(4) Holds:

(a) All borrowers may place holds on nonreserve material which is checked out.

(b) Borrowers may not place a hold on material checked out to themselves.

(c) Library units may place holds on any nonreserve material.

(d) Material on which a hold has been placed may not be renewed.

(e) Material which has one or more holds may be checked out for a maximum of two weeks.

(f) When material on which a hold has been placed is returned, it is held and the requester is informed of its availability.

(g) The following order of priority of holds is observed:

- (i) Reserve units.
- (ii) Campus borrowers, in order by day of hold.
- (iii) Off-campus borrowers, in order by day of hold.
- (iv) Other library units.

(h) The order of priority of holds may be adjusted by the unit head or designee.

(5) Recalls and searches:

(a) Recalls:

(i) Material on which a hold has been placed will be recalled if the adjusted date due is earlier than the original date due.

(ii) For holds placed by borrowers, the adjusted date due is two weeks from the date checked out or seven days from the date of the hold, whichever is later.

(b) Searches:

(i) All borrowers and library units may place searches for material which cannot be located.

(ii) If the material on which a search has been placed is located, it is held and the requester is informed of its availability.

(6) Renewal of library material:

(a) Renewals of loaned material are permitted unless material has restricted status or has been requested by another borrower. (See also WAC 504-40-055 (2)(g).)

(b) Renewals may be requested by providing borrower identification number and material identification numbers if necessary.

(c) All material may be renewed indefinitely unless requested by means of a hold.

(d) Overdue material may be renewed subject to same conditions as similar material not overdue. Fines accrue and will be assessed for the overdue period. However, overdue material on which a replacement charge has been assessed must be brought back to the circulation desk of the library from which it was borrowed for renewal.

(7) There is no limit to the number of items which may be borrowed at one time by WSU faculty, students, and staff, except for reserve materials as outlined in WAC 504-40-055 (2)(g)(i). All other borrowers are limited to twenty-five items at one time.

(8) In accordance with general policy, and upon request and suitable justification by the library user, exceptions to these regulations may be made. To insure that exceptions are made with the full knowledge of the research and instructional needs of the university community, such exceptions may be made only by an appropriate library faculty or staff member as designated by the director of libraries or the campus librarian at a WSU branch campus.

[Statutory Authority: RCW 28B.30.095, 28B.30.125 and 28B.30.150. 95-13-004, § 504-40-045, filed 6/8/95, effective 7/9/95.]

WAC 504-40-055 Loan time periods. (1) Basis of loan time periods: The WSU libraries have established loan time periods based on anticipated demand for the various forms of material by the several classes of users.

(2) Loan time periods:

(a) Noncirculating materials may not be checked out except, in very unusual circumstances, by special permission.

(b) Circulating materials (bound and unbound) may be checked out for two hours, or one, three, seven, fourteen, or thirty days as designated.

(c) The normal loan period for all users is thirty days, subject to recall of material after fourteen days if requested by another borrower.

(d) Books borrowed for the normal loan period by Washington State University faculty and graduate students, if not recalled, may be retained without penalty to the end of the semester. At that time the material must be returned or renewed.

(e) An item may be recalled at any time after it has been borrowed if it is needed for reserve or other restricted status.

(f) Reserve materials:

(i) Only two reserve items may be checked out by one borrower at a time.

(ii) Reserve materials may be renewed only if no one else has requested the item.

(iii) Reserve materials are not subject to recall or to holds.

(iv) Faculty members (and others) who have placed materials from their personal collections on reserve may request return of such personal possessions at any time.

(g) Special collections and categories: Certain material is maintained in special collections or has been defined as belonging to special categories. Borrowers should consult a member of the special collections staff concerning condition of use for these materials.

(h) Exceptions: Upon request and suitable justification by the borrower, exceptions to these regulations may be made. To insure that exceptions are made with the full knowledge of the research and instructional needs of the university community, such exceptions may be made only by an appropriate library faculty or staff member as designated by the director of libraries or the campus librarian at a WSU branch campus.

[Statutory Authority: RCW 28B.30.095, 28B.30.125 and 28B.30.150. 95-13-004, § 504-40-055, filed 6/8/95, effective 7/9/95.]

WAC 504-40-060 Fines and charges. (1) **System-wide applicability of fines and charges:**

All borrowers are subject to a uniform system of fines and charges for late return of library materials and for replacement costs when required.

(2) **Notice of due dates and overdue materials:**

(a) Overdue notices are sent subsequent to the date due for all materials checked out through the on-line circulation system.

(b) For two-hour, and one-, three-, and seven-day materials and special category materials, overdue notices may be phoned if possible, or borrowers may be notified by mail.

(c) Failure to receive a notice or invoice does not exempt the borrower from charges.

(d) Failure to inform the university of changes of address does not exempt the borrower from charges.

(3) **Fines and charges:**

(a) Fines and/or replacement charges are assessed when library material is not returned by the due date specified for the material.

(b) Approved fine rates, maximum fines for specific types of materials, and basic replacement fees are available in each of the libraries.

(c) Specific fine rates and basic charges for replacement, rebinding, etc., are established for each biennium.

(d) Fine rates and charges for replacement, rebinding, etc., will be reviewed prior to the beginning of each biennium for possible adjustment by appropriate WSU libraries personnel. Proposed adjustments to established fine rates will be submitted through the WSU faculty senate library committee to the WSU faculty senate for approval.

(e) The most recently approved fine schedule is incorporated into these rules by reference. Copies are available at all circulation desks.

(f) All fines accrue from the time material becomes overdue.

(g) Fines do not accrue when the library from which the material was borrowed is closed.

(h) If a loan period has been extended by special permission, the overdue fine is assessed according to the original

loan category of the material. For materials circulated by special permission or normally categorized as noncirculating, the fine rate will be assessed on an hourly basis.

(i) The libraries have the right to reduce or forgive fines and charges for patrons with bona fide reasons for not returning materials when due.

(4) Payment of fines and charges:

(a) Fines and charges are paid through WSU accounts receivable. Payment may be made by cash, check, or money order. Departmental purchase orders or interdepartmental requisitions and invoices are not acceptable as payment because fines may not be paid by departmental, grant, or any other funds controlled by the university.

(b) Failure to pay fines and charges will result in the total amount assessed being referred for collection. The controller may, if other collection methods fail, withhold outstanding fines from damage deposits or other funds held for any students. Where collection efforts are unsuccessful, the controller may notify the registrar to refrain from issuing copies of student transcripts or to withhold permission to reenroll for an ensuing term until outstanding fines are paid.

(c) Failure to pay fines and charges may also result in revocation of borrowing privileges by the director of libraries.

(5) Replacement charges:

(a) If library material or equipment is lost, or not returned by the time the maximum fine has accumulated, a replacement charge will be assessed.

This replacement charge includes the estimated replacement cost of the material plus a nonrefundable service charge to cover the costs of searching, correspondence, cataloguing, etc. The replacement charge and service charge are added to the maximum fine, and the delinquent borrower is charged this total sum.

(b) If material upon which a replacement charge has been assessed is found and returned within six months of the assessment date, the replacement cost of the material will be refunded. The service charge and overdue fine are not refundable.

(c) Library patrons who mutilate library materials or return mutilated materials that have been checked out to them will be charged a library administrative fee plus replacement costs for each item involved.

(d) All library materials, regardless of fines and fees paid, remain state property.

(e) In accordance with general policy, and upon request and suitable justification by the library user, exceptions to these regulations may be made.

The purpose of this chapter shall be to ensure compliance by Washington State University with the provisions of chapter 1, Laws of 1973 (Initiative 276), Disclosure—Campaign finances—Lobbying—Records; and in particular with sections 25-32 of that act, dealing with public records.

[Order 73-3, § 504-44-010, filed 7/9/73.]

WAC 504-44-020 Definitions. (1) Public records. "Public record" includes any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics.

(2) Writing. "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combination thereof; and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums, and other documents.

(3) Washington State University. Washington State University is an institution of higher education authority for which is located in chapter 28B.30 RCW. Washington State University shall hereinafter be referred to as the "university." Where appropriate, the term university also refers to the staff and employees of Washington State University.

[Order 73-3, § 504-44-020, filed 7/9/73.]

WAC 504-44-030 Description of central and field organization of Washington State University. Washington State University is an institution of higher education. The administrative offices of the university are located at Pullman, Washington. Agricultural research centers are located at Prosser, Puyallup, Vancouver, Wenatchee, and Mount Vernon, Washington. Cooperative extension offices are maintained in the county seats of all counties in the state. A center for nursing education is located in Spokane, Washington, and a joint center for graduate study in Richland, Washington.

[Order 73-3, § 504-44-030, filed 7/9/73.]

WAC 504-44-040 Operations and procedures. The university is a state institution of higher education authorized initially by our legislature in 1890. The university's major lines exclusively include courses of instruction in agriculture in all its branches and subdivisions, veterinary medicine and economic science in its application to agriculture and rural life. At present the existing statutory authority for the univer-

sity is contained in chapter 28B.30 RCW. The management of the university, its experiment stations, the care and preservation of all property and buildings, are vested in a seven-member board of regents appointed by the governor as provided in RCW 28B.30.100. The chief administrative officer of the university is the president, who also serves as secretary to the board of regents.

The day-to-day operations of the university, initially established by policy approved by the regents, are carried through the office of the president and/or his designee.

Inasmuch as the university is not a regulatory state agency, as such, the general public may be guided by consulting the periodic published bulletins and faculty manual. These materials may be consulted for particular information and procedures respecting entry into the university community as a student, employee, or academician.

[Order 73-3, § 504-44-040, filed 7/9/73.]

WAC 504-44-050 Public records available. All public records of the university, as defined in WAC 504-44-020 are deemed to be available for public inspection and copying pursuant to these rules, except as otherwise provided by section 31, chapter 1, Laws of 1973 and WAC 504-44-100.

[Order 73-3, § 504-44-050, filed 7/9/73.]

WAC 504-44-060 Public records officer. The university's public records shall be in the charge of the public records officer designated by the university. The person so designated shall be located in the administration building of the university. The public records officer shall be responsible for the following: The implementation of the university's rules and regulations regarding release of public records, coordinating the staff of the university in this regard, and generally insuring compliance by the staff with the public records disclosure requirements of chapter 1, Laws of 1973.

[Order 73-3, § 504-44-060, filed 7/9/73.]

WAC 504-44-070 Office hours. Public records shall be available for inspection and copying during the customary office hours of the university. For the purposes of this chapter, the customary office hours shall be from 8:00 a.m. to noon and from 1:00 p.m. to 5:00 p.m., Monday through Friday, excluding legal holidays.

[Order 73-3, § 504-44-070, filed 7/9/73.]

WAC 504-44-080 Requests for public records. In accordance with requirements of chapter 1, Laws of 1973 that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records may be inspected or copied, or copies of such records may be obtained, by members of the public upon compliance with the following procedures:

(1) The university may ask that a request be made in writing upon a form prescribed by the university which shall be available at its administrative office. The form shall be presented to the public records officer, or to any member of the university's staff, if the public records officer is not available, at the administrative office of the university during cus-

tomary office hours. The written request shall include the following information:

- (a) The name of the person requesting the record;
- (b) The time of day and calendar date on which the request was made;
- (c) The nature of the request;
- (d) If the matter requested is referenced within the current index maintained by the records office, a reference to the requested record as it is described in such current index;
- (e) If the requested matter is not identifiable by reference to the university's current index, an appropriate description of the record requested.

(2) In all cases in which a member of the public is making a request, it shall be the obligation of the public records officer, or staff member to whom the request is made, to assist the member of the public in appropriately identifying the public record requested.

[Order 73-3, § 504-44-080, filed 7/9/73.]

WAC 504-44-090 Copying. No fee shall be charged for the inspection of public records. The university may charge a fee per page of copy for providing copies of public records and for use of the university's copy equipment. This charge is the amount necessary to reimburse the university for its actual costs incident to such copying.

[Order 73-3, § 504-44-090, filed 7/9/73.]

WAC 504-44-100 Exemptions. (1) The university reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 504-44-080 is exempt under the provisions of section 31, chapter 1, Laws of 1973.

(2) In addition, pursuant to section 26, chapter 1, Laws of 1973, the university reserves the right to delete identifying details when it makes available or publishes any public record, in any cases when there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 1, Laws of 1973. The public records officer will fully justify such deletion in writing.

(3) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

[Order 73-3, § 504-44-100, filed 7/9/73.]

WAC 504-44-110 Review of denials of public records requests. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such decision by tendering a written request for review. The written request shall specifically refer to the written statement by the public records officer or other staff member which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the public records officer or other staff member denying the request shall refer it to the executive vice president or his designee. Such person shall immediately consider the matter and, after consulting with the attorney general's office, either affirm or reverse such denial. In any case, the request shall be returned

with a final decision within two business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the university has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.

[Order 73-3, § 504-44-110, filed 7/9/73.]

WAC 504-44-120 Protection of public records. It is the policy of the agency, in order to protect public records from damage or disorganization and to prevent excessive interference with other essential functions of the university, that original copies of records are not to be taken from the university designated area of custody or storage. Any examination and copying of records subject to these regulations is to occur at places designated by the university through the public records officer and/or his designee. The fullest assistance to inquirers and the most timely possible action on requests for information consistent with protection of the public records is to be supplied. In the event of abnormal requests for unusual or potentially exempt records, or in the event of questions not clearly covered by these regulations, the public records officer is to be consulted.

[Order 73-3, § 504-44-120, filed 7/9/73.]

WAC 504-44-130 Records index. (1) The agency shall make available to all persons those indexes that are maintained for agency use regarding certain records issued, adopted or promulgated, namely faculty and staff personnel records, student records, and financial and business records. Due to the complexity of the university, the indexing of all materials subject to chapter 1, Laws of 1973, by the university would be unduly burdensome. Accordingly, the regents have caused to be issued in conjunction with these regulations Order No. 73-2 specifying the reasons why such compliance would be unduly burdensome and would constitute an undue interference with university operations. Nevertheless, it is the policy of the university to make available for public inspection and copying all indexes that exist now or are hereafter created and are maintained for agency use consistent with and in conformity to chapter 1, Laws of 1973, and these regulations as now or hereafter amended.

(2) Availability. The following major sources of records are available at the principal office of the university, c/o French Administration Building, Pullman, Washington 99163, and include but are not limited to faculty and staff personnel records, student records, financial and business records, and construction records. These records together with any indexes promulgated by the university are to be available to all persons under the same rules and on the same conditions as generally are applicable to public records subject to these regulations.

[Order 73-3, § 504-44-130, filed 7/9/73.]

WAC 504-44-140 Communications to the university. All communications with the university, including but not limited to the submission of materials pertaining to its operations and/or the administration or enforcement of chapter 1, Laws of 1973, and these rules, requests for copies of the university's decisions and other matters, may be addressed as

follows: Washington State University, c/o Public Records Officer, French Administration Building, Pullman, Washington 99163.

[Order 73-3, § 504-44-140, filed 7/9/73.]

WAC 504-44-150 Adoption of form. Washington State University hereby adopts for use forms for requesting review, inspection and/or copy or copies of its records, the forms attached hereto as Appendix A, B, and C, entitled "Request for public records," "Request for copies," and "Request for review."

Order No. 73-2

In keeping with the intent of chapter 1, Laws of 1973, and Chapter IV thereof regarding public records, it is hereby found by the regents that no master index of records and materials concerning statements of policy adopted by the university, covering administrative staff manuals and instructions to the staff, covering planning policies, etc., and staff report studies, consultant reports, etc., envisioned by section 26 thereof exists or is maintained.

The regents further find that the creation of such an index would not correspondingly enhance the efficiency of the university's existing operations to the extent of any effort expended to produce said indices, but rather would cause an undesirable disruption of existing services and performances in attempting to compile same. In addition, it should be recognized that the university does not operate directly as a regulatory body. The regents hereby direct that existing and future indexes of the university's operations be made available to requesters consistent with chapter 1, Laws of 1973, and the regulations regarding public records as they exist now or as they may be amended in the future.

Ordered in open meeting of the regents this 2nd day of June, 1973.

WAC 504-50-010 Purpose and authority. This chapter of the Washington Administrative Code is adopted pursuant to RCW 39.04.155, authorizing Washington State University to adopt procedures to award contracts for construction, building, renovation, remodeling, alteration, repair, or improvement of real property in lieu of other procedures for such work with an estimated cost of two hundred thousand dollars (\$200,000) or less. The University, in establishing a small works roster, shall use the procedures set forth in this chapter.

[Statutory Authority: RCW 39.04.155, 01-13-103, § 504-50-010, filed 6/20/01, effective 7/21/01.]

WAC 504-50-020 Project construction cost. Whenever the estimated cost of any construction... or improvement of real property does not exceed two hundred thousand dollars (\$200,000), the University is authorized to use the Small Works Roster in lieu of public advertisement for bids. In the event that the legislature further increases the small

works roster limit, the University is authorized to use the small works roster for any projects up to the legislatively authorized limit. No project shall be broken into units or phases for the purpose of avoiding the maximum dollar amount of a contract that may be met using the small works roster.

[Statutory Authority: RCW 39.04.155. 01-13-103, § 504-50-020, filed 6/20/01, effective 7/21/01.]

WAC 504-50-030 Creation of small works roster or rosters. The University may create a single general small works roster, or it may create a small works roster for different specialties or categories of anticipated work. The rosters may make distinctions between contractors based upon different geographic areas served by the contractors.

[Statutory Authority: RCW 39.04.155. 01-13-103, § 504-50-030, filed 6/20/01, effective 7/21/01.]

At least once per year, the University shall publish, in a newspaper of general circulation within the counties where small works are expected to be performed, a notice of the existence of any rosters, and shall solicit the names of contractors for such roster or rosters.

WAC 504-50-080 Procedures for use. When using a Small Works Roster, the University shall obtain telephone, written or electronic quotations for public works contracts from contractors on the appropriate small works roster to assure that a competitive price is established and to award contracts to the lowest responsible bidder, as defined in RCW 43.19.1911, as follows:

- (1) A contract awarded from a small works roster need not be advertised. Invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation. This paragraph does not eliminate other requirements for architectural or engineering approvals as to quality and compliance with building codes. Quotations may be

[Title 504 WAC—p. 61]

invited from all appropriate contractors on the appropriate small works roster. As an alternative, quotations may be invited from at least five contractors on the appropriate small works roster who have indicated the capability of performing the kind of work being contracted, in a manner that will equitably distribute the opportunity among the contractors on the appropriate roster. In those cases where there are fewer than five contractors on the appropriate small works roster, quotations will be invited from all contractors on the roster.

(2) If the estimated cost of the work is from one hundred thousand dollars to two hundred thousand dollars, the University may choose to solicit bids from less than all the appropriate contractors on the appropriate small works roster but must also notify the remaining contractors on the appropriate small works roster that quotations on the work are being sought. The University has the sole option of determining whether this notice to the remaining contractors is made by:

- (a) Publishing notice in a legal newspaper in general circulation in the area where the work is to be done;
- (b) Mailing a notice to these contractors; or
- (c) Sending a notice to these contractors by facsimile or other electronic means.

(3) For purposes of this resolution, "equitably distribute" means that the University may not favor certain contractors on the appropriate small works roster over other contractors on the appropriate small works roster who perform similar services. At the time bids are solicited, the University representative shall not inform a contractor of the terms or amount of any other contractor's bid for the same project.

(4) A written record shall be made by the University representative of each contractor's bid on the project and of any conditions imposed on the bid. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

(5) The University shall award the contract for the public works project to the lowest responsible bidder provided that, whenever there is a reason to believe that the lowest acceptable bid is not the best price obtainable, all bids may be rejected and the University may call for new bids. In addition to price, the University shall take into account the following:

- (a) The ability, capacity, and skill of the bidder to perform the contract;
- (b) The character, integrity, reputation, judgment, experience, and efficiency of the bidder;
- (c) Whether the bidder can perform the contract within the time specified by the University;
- (d) The quality of the bidder's performance of previous contracts or services;
- (e) The previous and existing compliance by the bidder with laws relating to the contract or services;
- (f) Such other information as may be secured having a bearing on the decision to award the contract.
